

September 25 @ 9:30am: PSWCT/UP Virtual Roundtable Discussion

We are pleased to announce the next virtual roundtable learning opportunity – Return to Work Best Practices: Documentation and the Stories Behind Them. Wednesday, September 25 from 9:30am-10am. RSVP when you see the flyer circulating.

Our virtual roundtables are designed to discuss and explore specific topics related to workers' compensation

and unemployment benefits in 30-minute segments. The inaugural roundtable brought together a wonderful assortment of members to hear a brief overview on reforms coming this summer from Labor & Industries. We're excited to share these professional development ideas that allow you to participate from the comfort of your own office or conference room.

We have taken the first steps to develop a place for school district members to learn and communicate on various topics, the Virtual Forum. Exclusive to our members, we'll utilize this space in future to announce events, host documents you and future staff may download, and share other media offered during our roundtable discussions. Look for an email soon about your membership!

Our plan to conduct guided discussions on topics of interest to our members is dependent on your feedback. We have identified a few topics and will want to hear about your experience, so please do respond to our surveys and share with us what is important to you. Respond to the invitation to become a member of the Virtual Roundtable Forum when you see it, and then click the Contact button to offer feedback about what works or doesn't work to help us improve the site.

We hope you will virtually join us September 25 at 9:30am!
