

## EPA Guidance and Training Opportunities

A foundational piece of our school Indoor Air Quality work is through the EPAs “Tools for Schools” resource. We urge you to [subscribe](#) to receive direct from the source pertinent information about ongoing issues plus links to [relevant training opportunities](#).

We recommend you follow information and guidance provided by reliable, data driven agency sources aimed at schools:

- The Environmental Protection Agency’s (EPA) “Tools for Schools” program  
<https://www.epa.gov/iag-schools>
- The Washington State Department of Health’s School Environmental Health and Safety web page:  
<https://www.doh.wa.gov/CommunityandEnvironment/Schools/EnvironmentalHealth>
- and the DOH’s new corona virus info site:  
<https://www.doh.wa.gov/emergencies/coronavirus>
- Relevant information and resources from the Office of Superintendent of Public Instruction (OSPI): <https://www.k12.wa.us/about-osp/press-releases/novel-coronavirus-covid-19-guidance-resources>

Contact [Elizabeth Jakob, Industrial Hygiene Consultant](#) for more information.
